Application Definitions

Household Size: All persons, including parents, children, grandparents, and all people related or unrelated who live in your home and share living expenses. If applying for a household with a foster child, you may include the foster child in the total household size.

Total Household Income: The income each household member received before taxes. This includes wages, social security, pension, unemployment, welfare, child support, alimony, and any other cash income. If including a foster child as part of the household, you must also include the foster child's personal income. Do not report foster payment as income.
